Project Title: Shaanxi Cuisine site

I'd like to build this 5-page site that focuses on Shaanxi Cuisine, a Chinese cuisine that is underlooked in the western culinary sphere.

- **Home Page/Introduction**
  - An introduction to the style and essence of Shaanxi cuisine.

- **Regional Styles**
  - The descriptions of the three different Shaanxi cuisine styles. (Northern Shaanxi, Guanzhong, and Hanzhong style.

- **Biang Biang**
  - A focus on the most culturally relevant dish and its character – maybe animated? Interactive? Minigame?
  -

- **Different dishes**
  - A list of the different famous Shaanxi dishes with descriptions and images

- **Recipe**
  - A recipe for Qishan Saozi noodles, my personal favorite dish.

- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided. https://en.wikipedia.org/wiki/Shaanxi_cuisine#
